

Сведения о научных руководителях

диссертации Гончар Марии Романовны

«Соединения рутения, золота и иридия с фосфитными лигандами на основе глюкозы как перспективные противоопухолевые агенты»

Научный руководитель: Милаева Елена Рудольфовна

Ученая степень: доктор химических наук

Ученое звание: профессор

Должность: заведующий кафедрой

Место работы: Федеральное государственное бюджетное образовательное учреждение высшего образования «Московский государственный университет имени М.В. Ломоносова», Химический факультет, Кафедра медицинской химии и тонкого органического синтеза

Адрес места работы: 119991, Москва, Ленинские горы, дом 1, строение 3, ГСП-1, МГУ, химический факультет

Тел.: +7 (495) 939-52-49

E-mail: milaeva@org.chem.msu.ru

Список основных научных публикаций по специальностям 1.4.16. – Медицинская химия (химические науки), 1.4.11. – Бионеорганическая химия (химические науки) за последние 5 лет:
